

Comparison of Precipitation Entropy Estimation Approaches Based on Huffman Encoding

Pan Baoxiang Cong Zhentao

Abstract

Contents

1	Introduction	4
2	Methodology	5
3	Data	6
4	Discussion	7
5	Conclusion	8

1 Introduction

Importance.
Shortcomings.

2 Methodology

Entropy Estimation Approaches
Huffman Encoding

3 Data

Mopex Observation noth

4 Discussion

Statistic Experiments
Real Data

5 Conclusion

Accuracy of approaches implemented at different catchments.
