Online
Application
for Graduate
Admissions

Submission Complete

You have completed your application to the University of California, Irvine. A summary of your application will be sent to the email address you have provided.

You will no longer be able to make changes to your application via the web.

Letters of recommendation should be done online. Applicants are to log into the Application Progress Review site at: http://services.adcom.uci.edu/, enter their recommender names and email addresses, and select to have automated invitation email messages sent to each recommender. The recommenders will receive a personalized email with a secured web link to use for submitting their recommendation online.
